(U.S. PATENT NO. 6,584,450 B1)

	Short Name	Classification ¹	In Combination with	Motivation for Combination or Modification
				<p>Adding or substituting subscription programs to or for pay-per-item rental services. Similarities, relationships, and overlaps between subscription and pay-per-item rental services and combined discussions of them in prior art. Advantages of subscription programs for online rentals. Problems and competitive disadvantages caused for online rental on a pay-per-item basis by time required for delivery and return of items and related uncertainties. (E.g., BB00008541-42, 00008550-51, 00008555, 00008559, 00008563-64.) Problems and competitive disadvantages caused for online rental on a pay-per-item basis by cost of delivery and return of items by mail or of other delivery and return of items. (E.g., BB00008541-42, 00008563-64, 00008969-71.)</p> <p>Obvious need for computerized or online rental system to determine what to ship to customer. Obvious need for subscription service to determine, on return of an item, what to ship next. Impracticality of requiring customers to time identification of additional desired items to coincide with rental service's receipt of returned items. Inconvenience and frustration from limiting customers' ability to list on the same site visit when they are identified. Customer dissatisfaction with a subscription service if there are delays providing further items.</p> <p>Applying methods and technologies used for rental of other items to rental of videos.</p>
